

The Eye Center of North Florida would like to recognize and honor our Local Heroes!

We will be awarding a free LASIK procedure to a local Firefighter, Policeman, Nurse, and one to a member of any military branch who is actively serving in the Armed Forces and stationed locally.

To qualify, simply write in and tell us why you need and want LASIK surgery. We will narrow our choices down and contact a select few to come in for a free LASIK screening to make sure that you are an appropriate candidate.

After the screenings are complete we will choose our 4 winners!

**All entries are due by
Wednesday, March 31, 2010**

Please be sure to include your name, phone numbers, email address, and home address.
