Dear Dr. Fisher,

On behalf of the membership of the New Orleans Academy of Ophthalmology, I would like to thank you for traveling to New Orleans and presenting your talk on *The Latest Advances in Cataract Surgery: Advanced Technology IOLs, Femtosecond Lasers and Intraoperative Aberrometry* at the recent New Orleans Academy of Ophthalmology Quarterly Dinner Meeting held on May 7, 2015.

We received many compliments on the quality of your presentation. We appreciate the time and effort that you put into the meeting to make it successful. Thank you for helping us to fulfill the NOAO's mission of providing quality education to its membership.

I enjoyed meeting you and look forward to seeing you in the future.

Warmest regards,
