

### **The Eye Center of North Florida - Laser and Surgery Center Financial Assistance**

The Eye Center of North Florida-Laser and Surgery Center collects all copayments, coinsurances and deductibles at or before the date of service.

Patients without insurance are responsible for all fees incurred with the surgeon, facility and anesthesia. Arrangements for payment must be made with each entity separately.

The Eye Center of North Florida-Laser and Surgery Center accepts cash, checks and credit cards. In addition, affordable financing is available through CareCredit. CareCredit is the credit card exclusively designed for healthcare services. For more information or to apply for CareCredit visit them online at [carecredit.com](http://carecredit.com)

Steps for obtaining additional financial assistance or charity care will be made available upon request. If you have any financial questions or concerns, please feel free to call our office at 850-784-3937.
